

THERMAL TRANSFER RIBBON
TECHNICAL DATA SHEET

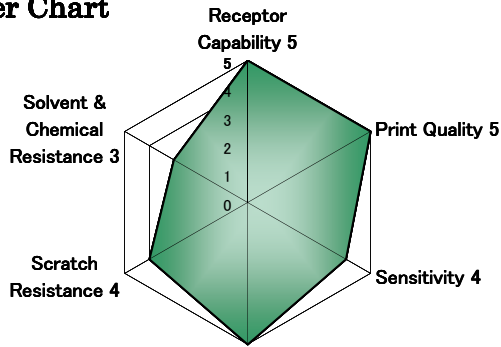

FTC400 Series Colors

Near Edge
Wax Resin

Product Description

The FTC400 Series colors have been specifically designed for near edge printers. Our products offer excellent print quality on a wide range of stocks from matte paper to film stocks. The FTC400 colors have been formulated to perform at high speeds and lower energy settings to give you increased production while at the same time minimizing print head wear.

Rader Chart

*Performance above are rated being compared among the near edge wax resin categories of Fujicopian FTX400 series.

Applications

- Shipping Labels
- Storage Labels
- Retail Tags
- Flexible Packaging

Recommended Label Stock

- Coated Paper & Tags
